

Dress Rehearsal Information

We have a dress rehearsal for The Greatest Show only on the 9th and 10th December.

On the 9th it is all the classes in the 11.00am show.

On the 10th it is all the classes in the 4.00pm show.

The Dress rehearsal will start at 4.00pm each day and students need to be at the venue from 3.30pm or by 3.45pm at the latest.

Costumes are to be bought to the rehearsal but not worn.

The Dress Rehearsal each day will start with a technical run though to set the lighting and let the students see how their item will fit on stage. This should be completed by 6.30pm. we will stop for a short break to eat food and get students into their costumes. Make up is not required for the dress rehearsal but will be required for the show.

We will then run the items with the costumes and lighting.

We will run all younger students' items first and they will be allowed to leave once they have finished their run through. We will notify parents on Facebook and Band when the different classes are ready to be collected. The older students will then run through theirs and we hope to be finished by 9.00pm

It is important for the students to bring food and water with them (no colored drinks or fizzy drinks allowed) to keep them sustained for the evening. It is also advisable that they bring things to do as there will be some waiting around (please no felts these are never good near any costumes)

Students aged from 5 years to 12 years will be in our studios and moved to the regent when their items are on. They will need to be signed in and out when you drop them off. We have a lovely team of people that will be looking after them while they are in the studio.

Students from 13 years up will be located in the Regent as well as any Highland dancers, these students will also need to be signed in and out at the back door of the Regent.
